

# Introducing the new i\*Trade@CIMB

Dear valued customers,

As part of our continuous effort to provide you the optimal trading experience, we are pleased to introduce you the enhanced web version of i\*Trade@CIMB. With this new enhancement, we hope to give you a smoother and seamless online trading experience.

The enhanced i\*Trade@CIMB is now readily available for you to explore and will be the default trading hall option from **22 December 2014** onwards. The existing i\*Trade@CIMB will still be made available during the transition period until further notice.

Below are some of the major highlights of the new **i\*Trade@CIMB**:

No.	Major Features	Existing i*Trade@CIMB	New i*Trade@CIMB
1	Bursa Malaysia Equities and Derivatives Trading	✓	✓
2	Cross Border Trading	✓	✓
3	Customisable Layout (By Pop-up and Tab) 	✗	✓
4	Full Quote Screen	✗	✓
5	Enhanced Real Time Technical Charting Tools (Support Safari and Android browser)	✗	✓
6	Market Depth Setting 	✗	✓
7	Multiple Windows / Tab	✗	✓
8	Stock Price Historical Data	✗	✓
9	Switching between Mobile and Desktop mode 	✗	✓

Experience the new and enhanced i\*Trade@CIMB today!
